

Colour Card 100

Product Information

All of the colours illustrated on this card are available Worldwide from our core range of cosmetic finishes:

Interfine®979

An acrylic polysiloxane cosmetic finish with excellent durability.

Interthane®990

A surface tolerant, acrylic polyurethane finish.

Intergard®740

A tough, chemical and solvent resistant epoxy finish.

Intersheen®579

A fast drying, modified acrylic finish.

Interlac®665

A traditional alkyd gloss finish.

Colours black and white, not illustrated on this card, are also available.

Notes

- When placing orders, please quote the product name, number and colour, e.g. Interthane 990, Ocean Blue.
- Shade Reference: Each colour has a specific International Paint alpha / numeric code e.g. L549. For ease of identification the equivalent global standard and shade reference are also included where applicable.
- Price Reference 1-6: Please refer to the International Paint Price List for details.
- Whilst great care is taken to match the colours on this card exactly, there may be slight variations in the colour of product supplied.
- Chrome free versions of certain shades are available. Please refer to the International Paint Price List for details.
